FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to the current proposal:

Officials from the **Office of State Courts Administrator**, the **Columbia/Boone County Department of Public Health and Human Services**, the **Cooper County Public Health Center**, the **Harrison County Health Department and Hospice** and the **City of Independence Health Department** each assume the proposal would not fiscally impact their respective agencies.

Oversight notes this proposal is similar to HB 181/LR# 0079.01 from 2015. In response to HB 181, officials from the **Department of Health and Senior Services**, the **Department of Mental Health** and the **Department of Social Services** each assumed the proposal would have no fiscal impact on their organizations. Therefore, Oversight assumes this proposal will have no fiscal impact.
